RULES AND REGULATIONS

In accordance with Article VII, Section 1 of the Declaration of Restrictive Covenants the following rules and regulations have been formulated and published by the Board of Directors and are effective as of May 11, 2026.

1. **GENERAL:** The following rules and regulations are designed to make living at Braeloch pleasant and comfortable for each member of the association. The restrictions which the Board imposes upon the members are for the mutual benefit of all to preserve, enhance, and protect the value of our community. The cooperation and consideration of each member of the Association is vital.
2. **ANNUAL ASSESSMENTS:** Homeowners Assessments are due and payable on the 1st of January and considered late if not received by the 31st of January. Payments may be made online, by check, or bank draft. All legal fees and court costs shall be the owner's responsibility.

3. ARCHITECTURAL CONTROL:

- gutters
- siding

an **Architectural Change Request Form** for approval must be submitted to the ACC or the Board of Directors. The ACC or Board, at its sole discretion, may or may not approve any changes. A written reply to any request will be made within thirty (30) days after said request has been received.

NOTE: For projects exceeding \$5000, the Board recommends homeowners always submit an Architectural Change Request Form to provide the homeowner assurance that the project is in compliance with Braeloch's covenants and Rules and Regulations.

NOTE: There is a non-refundable fee for each **Architectural Change Request Form** submitted. This is a Cedar Management processing fee and is part of their online platform. The fee does NOT go to the HOA, it is not a fee levied by the HOA.

This fee will be waived by the ACC in circumstances where an Architectural Change Request Form was not necessary. This fee does not accrue late charges as long as it is paid along with your annual dues. We will not accept manually submitted Architectural Change Request Forms that bypass the online platform.
